6. S.K Venkatarangaiengar, B.A.,LL.B.
7. S.N.M.Razvi
8. V. Sampangiramaiah
9. Singam Rangaswamappa

At the outset Sri Anantharaman observed that the Special meeting for consideration of water supply should be held as early as possible and a definite decision taken in the matter.

Sri N. Keshava Iyengar suggested that the Special Meeting might be held at Thippagondanahalli at an early date and that the catering charges etc., would be borne by the members.

The President replied that such a meeting would be arranged at an early date.

Sri N. Keshava Iyengar then welcomed the new Executive Engineer and said that the New Engineer was young and energetic and it was hoped that he would complete the several engineering works which were incomplete or still to be taken up. He requested the new Engineer to devote particular attention for the several improvements in the City and expressed confidence that he would soon earn the appreciation of the Council.

The President then spoke and said that he would whole heartedly endorse the sentiments expressed by Sri N.Keshavaiengar and hoped that the new Engineer being young and energetic would certainly work hard and earn the goodwil of one and all and be of immense use to the rate-payers of the City

Then the administration report was taken up for consideration.

Sri H.S. Seetharam observed that it was a belated report and as such served no useful purpose.

The Commissioner replied that an advance copy of the report had already been sent to Government and that the printed copy along with the review of the Council would be sent to Government.

Sri G.Nanjappa observed that the arrears due from Government under several heads were very heavy and stressed the need to collect the arrears immediately.

Street light charges:- A sum of Rs.88,396 was spent towards street lighting. The Municipality was paying more towards lighting charges and hence the figure furnished in the report was not accurate.

The President replied that the amount spent was accurate and there was an increase of over Rs.8,000/- as against a sum of Rs.80,000/- spent during the previous year.

Page 12(10) Metalling the Road 6/1 furlong in III Dn, Siddapur.

Sri G.Nanjappa observed that there was no such road in III Division and wanted to know whether it was a mistake.

The Commissioner replied that the mention of III Division in this connection was a printing mistake.

Sri G.Nanjappa observed that the Municipality and the Railway Department had undertaken cement concreting the footpaths near the Railway Station and that a passage between these two portions had been left in a very bad condition and requested the Executive Engineer to get the same repaired immediately.

The President replied that the several suggestions would be duly noted and instructions would be issued to do needful in the matter.

Construction of scrap-iron Bazaar:- The Council had previous passed a resolution to shift the scrap-iron stalls to the Old Bus Stand and that no action had been taken so far. The explanation furnished in the report that the work could not be carried out since no contractor came forward to execute the work was not satisfactory. The work could have been done departmentally.

Sri G.Nanjappa continued and said that the proposal to continue the Kempegowda Road to join West Bund Road should be given effect to immediately and it was not desirable to drop the proposal

Page 16. Construction of first floor over the motor garage in the Municipal Offices compound:-

Immediate action should be taken to push through the work after obtaining the required sanction.

Acquisition of properties in Taramandalpet Market for constructing fuel market:- This question had been pending from a very long time and immediate action should be taken to take possession of the properties.

The Assistant Engineer replied that possession of properties had since been taken.

Sri G.Nanjappa pointed out that considerable delay was noticed in respect of acquisitions and it was not desirable to allow things to lapse. He said that the question of acquiring Door No.32, Thotadevaragalli, III Dn for the construction of a cattle shed was pending from a very long time and wanted quick disposal of the same, either to acquire the properties and take immediate action for the construction of cattle shed or drop the acquisition proceedings. Several acquisition cases were pending in the office and much inconvenience was caused to the owners on account of such delay.

Page 27. Rapid removal of night soil:-

This was a very important item about which the Health Department had not taken any action for the quick removal of night soil. Especially during rainy season, great nuisance was caused on account of the non-removal of the night soil promptly.

The Commissioner replied that due to inadequacy of petrol supply it was not at present possible to depute all the lorries and introduce the system of removal of night soil by lorries run by Municipal agency. As soon as the petrol supply position improved and new lorries were available in sufficient numbers, action would be taken to implement the proposed scheme.

Sri G.Nanjappa stressed the need to force the Government to comply with the needs of the Municipality and proceed with the work.

In conclusion Sri G Nanjappa observed that the report had been considerably delayed and wanted that at least during next year, the report should be placed before the House in time without giving room for any remarks from Government.

Sri Anantharaman speaking observed that under assessed taxes, there was a heavy sum outstanding as arrears and it was most unsatisfactory to allow such arrears to accumulate He suggested that effective steps be taken to collect the arrears immediately.

Page 4. Profession Tax:- Out of a total demand of Rs.92,225/- only a sum of Rs.29,831/- had been collected leaving a balance of Rs.62,394/- This was most unsatisfactory and it definitely showed that the executive had not taken vigorous steps to collect the amount properly. Prompt action should be taken to collect all the arrears.

Public works - The allotment for the Engineering Section was Rs.21,24,484/-, out of which only a sum of Rs.6,79,532/- was spent for the execution of the works thus allowing the balance amount to lapse. This was most unsatisfactory and this definitely showed the slackness of the Engineering Department.

Construction of sweepers' quarters in Platform Road:-

The condition of the sweepers was most miserable and the first and foremost duty of the Municipality should be to provide quarters to the sweepers. He suggested that at least a sum of Rs 2 lakhs should be provided in the ensuing budget for the above purpose.

City Market:- The general sanitation of the Market was not satisfactory and prompt attention had not been paid for the improvement of the Market. Cut and rotten fruits were being sold detriment to the Health and sanitation and immediate action should be taken to remove all such trades inside the Market. The oval in front of the Market was not kept in good condition.

Talks on health subjects:- This had not at all been done during the year under report and it was not understood how it had been incorporated in the report. Immediate action should be taken to equip the propoganda van with loud speakers and arrange for health lectures.

He regretted that no improvements had been effected in Chamarajpet and the report failed to show anything in respect of VII Division.

Sri P.R. Ramian then spoke and said that it was very essential that the Executive should co-operate with the Council and carry out the works according to the several instructions and suggestions offerred by the Councillors. The entire Municipal Administration was carried on under the guidance of the Council and as such it was very necessary to furnish a detailed report as to the several works carried out in accordance with the resolutions of the Council. No such information was available in the report and wanted that in future a clear explanation should be furnished as to the works executed and no room should be given for complaints from the rate-payers.

The need for more reading rooms was increasing and he said that the existing three Municipal Reading Rooms were not sufficient. The Budget grant towards Reading Rooms should be increased to meet the demand.

The Commissioner replied that it would be better to pay grants instead of opening out Municipal Reading Rooms and that the present Reading Rooms were not properly functioning. The previous Council had decided to abolish the existing Reading Rooms and pay suitable grants for private institutions.

Food control - out of 90 samples only 20 were found genuine and the rest not genuine. Action should be taken to enforce deterrent punishment for the offenders in the interest of public health.

The number of sweepers and scavengers was not adequate since the City had grown enormously. The number should be increased.

No action had been taken in respect of prohibiting the sale of cut-fruits and other articles of food in the streets.

Public works - The explanation furnished was not satisfactory.

The Commissioner replied that due to lack of materials such as cement, petrol and other essential articles, works could not b carried out to the required expectation and also tenders could nc be accepted in view of the very high quotations offered by contractors. All these factors had contributed to the slow progress in the Engineering Section.

Sri P.R. Ramiah continued and said that collection under profession tax was not satisfactory and that double the amount could have been collected. Immediate action should be taken to collect the amount without any discrimination, according to rules.

The President replied that this point might be taken up at the time of the budget and suitable resolution might be passed for the effective collection of the amount.

The President then requested the Health Officer to explain the House as to the several remarks raised by Sri G.Nanjappa and other members.

The Health Officer explained that he would always welcome any suggestion from the Councillors on matters which would be in the interest of general public and at times if he had done anything beyond that suggestion it was only in the interest of general good and requested not to be misunderstood in this connection. It was his duty to express his opinion and it was for the Council to suggest alternatives. He said that he would always consider the instructions of the Council as directives and follow such instructions

All possible steps had been taken in respect of destroying mosquitoes. Regarding food adultration the purnishments imposed were not deterrent and hence the system had not shown effective results.

He said that the Health Department should be allotted at least 33 1/3 per cent of the total revenue to meet the growing need for adequate staff etc.

Sri C. Rajagopalachar speaking observed that no amount had been spent for the formation of roads and drains in Malleswaram Swimming Pool Extension and wanted the same to be completed early. He suggested that prompt action should be taken for the speedy disposal of all acquisition proceedings. The mobile police had not done any good work for checking the sale of fruits and vegetables etc., in 7th Cross Malleswaram and he wanted stern measures to be taken in respect of the same.

Sri Seepnapathi Naidu observed that the Audit Committee had not at all met during the year under report and suggested that suitable steps be taken to arrange for its meetings.

The Commissioner brought to the notice of the House in this connection that the strength of the Audit Section had been increased and the audit work was being carried on satisfactorily. Every facility would be given to the Audit Committee in its work.

Sri Seethapathi Naidu stressed the need to continue the Kempegowda Road to join the Tank Bund Road.

The Commissioner replied that the area (Dharmambudi Tank bed) was not Municipal land, that Government had not yet handed over the same to the Municipality (though a request had been made) and hence it was not possible to take any action in the matter and the resolution had to be dropped. He suggested that the matter may again be pursued on a resolution of the present Council and the work taken up if permitted.

Sri Seethapathi Naidu observed that the acquisition proceedings in respect of properties for the construction of a vegetable market at Basavanagudi had not been completed and requested that the same be completed early and the construction of the Market proceeded with

The Commissioner replied that the work was in progress during 1946-47 but subsequently it had to be stopped for want of materia etc.

Sri Seethapathi Naidu continued and said that all license applications in respect of hotels etc., should be properly scrutinised and disposed of He suggested that the amounts provided for charitable purposes and other grants should be clearly specified and that provision for Langarkhana should be increased.

Sri Pujadalaiah speaking observed that the report did not show anything in respect of Harijan upliftment and wanted to be specified in the report the steps taken by the Municipality for Harijan uplift in the City. He stressed the need to get the report printed in Kannada from next year onwards.

He suggested that early action should be taken for completion of Doddapalya layout for the benefit of the poor people residing in the locality.

Sri D R. Puttanna observed that there was complete slackness in the Engineering Department with the result that much of the budget allotment in respect of several important works had lapsed. The Executive Officers had not taken prompt action for the execution of works, and he suggested that at least in future proper care should be taken to see that no room is given for such slackness.

The construction of quarters at Siddapur had not been completed and he suggested that a time limit be fixed for their early completion.

The President replied that the report showed only actual work done during the year 46-47 and as such it was not necessary to go into details as to the work done beyond that year. He requested the members to confine their observations to that extent

Sri D.R. Puttanna stressed the need to equip the propagand van with loud speakers and ~~furnitha~~ arrange for the showing of educational films and for lectures on health points.

Sri G.V. Rudrappa speaking said that the balance outstandi under assessed taxes was very heavy which was most unsatisfactor The collection staff should exert much more to show better collection. He proposed that s itable rewards may be given to those who show good progress and high percentage of collection.

The market gate collection was very poor and it ought to have increased during the year under report in view of the prevailing conditions in the City.

Sri H.S. Seetharam speaking said that all the members had pointed the defects on almost all the items in the report and he would like to mention only a few items which had not been mentioned in the report

The report had not furnished anything in respect of Swimmi Pools in the City and the work this important Committee had not been incorporated in the report and it was not understood how this could be. He was unable to understand how many meetings were held during the year under report and the work done by the

by the Committee for the improvement of Swimming Pools in the City.

He said that the entire general administration was not upto the mark. Several important files in respect of acquisition proceedigs were still pending in the office, with the result there was considerable delay in the execution of works. He suggested that all such important files which were shelved in the office should be taken out and immediate action should be taken to given effect to such resolutions.

He suggested that the Land Acquisition Officer may be requested to attend the meetings and furnish necessary details in respect of acquisition cases whenever required.

Sri R. Subbanna speaking observed that in view of the scarcity of petrol it was very necessary to get the lorries fixed with gas plants and arrange for quick execution of works.

The President replied that if the petrol position would not improve this question would be considered.

He suggested that divisionwar allotment should be made in respect of improvement schemes so that it might facilitate the Councillors to understand the actual work done in each division and request for increased allotments if necessary.

Sri R Subbanna further observed that the acquisition proceedings in respect of properties in Annamma Temple Street had not been completed. He wanted immediate action to be taken to take possession of the properties for the formation of road, and avoid frequent accidents at the place on account of the existing projection in the road. He suggested that immediate action should be taken for the completion of acquisition proceedings for the extension of burial grounds. He wanted to know the stage at which the matter stood in respect of acquisition of properties for the construction of Ayurvedic and Unani Hospital.

The Commissioner replied that the acquisition proceedings were conducted through Municipal Agency on behalf of Government and action was being taken to take possession of the properties. The Municipality had nothing to do with this acquisition.

Sri R. Subbanna wanted to know whether the City Improvement Trust Board had reserved suitable sites for those who would be affected by the formation of B.V Krishna Iyengar Road.

The Commissioner replied that the Trust Board had requested the Municipality to reserve some sites in the Kalasipalyam layout and accordingly some sites were kept apart for the benefit of thos who would be dispossessed of their properties in the B V Krishna-Iyengar Road Scheme and that the Trust Board also would provide some sites in the Kanakanapalya and Kumara Park layouts for this purpose.

Sri R. Subbanna suggested that intensive cleaning should be so arranged as to be undertaken once in a fortnight for each Division. Decoration articles should be improved and spare sets reserved for emergent purposes.

Sri V.R. Naidu wanted to know whether the Ragupathi Memorial Reading Room was actually working for the benefit of the public.

The President replied that the Chairman of the Reading Room Committee would look into the matter and furnish information.

Sri V.R. Naidu suggested that proper attention should be paid for metalling and tarring the roads punctually since many of the roads in the City had not been tarred for some considerable time and were in a very bad condition.

Sri N. Keshava Iyengar then spoke and said that the report should have been placed before the House much earlier and suggested that at least from next year onwards prompt action should be taken to place the report in time. Little interest appeared to have been taken for the preparation of the report and much information was lacking therein. There was no proper index and information re. the works executed during the year under report was not readily available. He suggested that the report should furnish detailed information as to the number of fresh lights and taps that were installed during each year so that the members might have an idea as to progress made during each year and proceed with the work and provide for more lights and taps wherever necessary.

Major portion of the report related public works and requested the New Executive Engineer to be more vigilant and pay prompt attention for the several improvement works for which budget allotments were made in the budget He said that the Executive Engineer had a very heavy responsibility in the discharge of his duties and requested full co-operation of the Executive Officers for the smooth administration of the Municipality.

He said that several resolutions had not been given effect to and that all resolutions which were passed should be got printed immediately and implemented. A quarterly review of the resolutions and the steps taken to implement such resolutions should be furnished to the House., He requested the Officers to receive the remarks in good faith and proceed with their duties for the smooth and efficient administration of the Municipality.

Then Sri Keshava Iyengar proposed that the report may be adopted with the observations made and the same was unanimously approved.

Then the President thanked the members for the several suggestions and observations, and the meeting terminated.

Sd/- K. Shamaraja Iyengar,
Honorary President.

MEETINGS AND ATTENDANCE

5 The number of Council Meetings held during the year was 4 , of which 12 were ordinary, 11 adjourned and 18 special meetings Statement 'A shows the number of meetings held and the attendance of members

WORKING OF THE COMMITTELS

The number of meetings held by each committee is as follows —

1	Managing Committee	30
2	City Improvement Committee	19
3	Bye law Committee	1
4	Audit Committee	
5	Langharkhana Committee	6
6	Health Committee	35
7	Reading Room Committee	4
8	Market Committee	3

6 The total demand under all heads of revenue was Rs 41,89,048 1 10, including the arrears of Rs 6,45,345 3 7 outstanding at the beginning of the year Out of this, a sum of Rs 33,19,004 0 3 was collected, leaving a balance of Rs 8,70,044 1 7 at the end of the year

(*a*) OCTROI

The total realisations under this head amounted to Rs 8,91,616 during the year under report as against Rs 8,06,006 during the previous year The increase is partly due to increase in imports and partly due to the rise in the values of certain dutiable articles on account of war

TOLLS

The collection of toll was carried out departmentally as in the previous year The income under this head amounted to Rs 51,618 as against Rs 64,007 in the previous year The decrease is due to heavy lorry traffic in place of carts and the control by the Supply Department on the free movement of grains

Twenty one prosecutions were launched under the Mysore City Municipalities Act, 1933 and Octroi Bye laws during the year under report as against 24 in the previous year One hundred and thirty six cases were compounded by the Municipal Commissioner and a total sum of Rs 5,912 was realised as penalty A sum of Rs 960 was paid as rewards to the officials and others who detected the smuggling cases during the year under report

The total number of Octroi licenses issued during the year was 1,706, of which 1,620 were retail licenses and 86 wholesale licenses as against 1,367 and 93 respectively

PROGRESS OF SPECIAL SCHEMES SANCTIONED IN RECENT YEARS

In consequence of the establishment entertained for recovery of duty on post parcels being made permanent as per Government Order No L 12345 6—Ml 10 46 114, dated 10th March 1947, the income on the post parcels received through post offices is doubled

PRINCIPAL MEASURES SANCTIONED BY GOVERNMENT DURING THE YEAR

(*a*) A new post of an Octroi Assistant Superintendent on Rs 80—5—100 *plus* Rs 10 conveyance allowance was sanctioned by Government in their order No 16637 8—Ml 10 46 155 dated 3rd June 1947

(*b*) Sanction of Government was accorded to the amendment to clause 4 of schedule IV of the Octroi Bye laws pertaining to the grant of exemption from payment of octroi duty on goods received back (*vide* Government Order No L 5931 2—Ml 67 46 19, dated 13th October 1946)

ASSESSED TAXES

The following figures furnish the Demand, Collection and Balance under Assessed taxes during the year under report as compared with those of the previous year —

		1945 46	*1946 47*
		Rs	Rs
DEMAND			
Arrears		3,63,411	4,56,004
Current		5,88,595	9,42,083
	Total	9,52,006	13,98,087
COLLECTION			
Arrears		1,55,223	2,10,817
Current		3,68,931	6,16,628
	Total	5,24,154	8,27,445
BALANCE			
Arrears		2,08 188	2,45,187
Current		2,19,664	3,25,455
	Total	4,27,852	5,70,642

There was an increase of Rs 3,52,488 in the demand during the year under report as against Rs 20 929 as a result of General Revision of Assessment on Lands and Buildings and revision of assessment on improved and extended buildings, etc

Out of the total demand of Rs 13,98 087 including arrears, a sum of Rs 8,27,445 was collected, leaving a balance of Rs 5,70,642 at the close of the

year Out of this outstanding balance, a sum of Rs 52,959 13 5 is due from Government Departments towards taxes on buildings and towards the sanitary and lighting tax from the Railway Department as noted below —

	Rs	A	P
(1) Taxes on Government Buildings	40,304	10	3

III MARKETS AND SLAUGHTER HOUSE

The collection of gate fees in the Central Vegetable Market was done departmentally as in the previous year The amount of gate fees and temporary

ground rents collected during the year under report was Rs 40,205 as against Rs 4[illegible],209 The total demand of shop rents and lighting charges inclusive of arrears for the year was Rs 1,01,236 as against Rs 95,974 Out of this, a sum of Rs 91,843 was collected as against Rs 87,575 in the previous year, leaving a balance of Rs 9,393 as against Rs 8,698 in the previous year

(*b*) The collection of Slaughter House Gate Fees and Booty Stalls was leased out for Rs 23,154 as against Rs 17,301 in the previous year The demand under other markets including Mutton Markets for the year under report was Rs 18,653 including arrears of previous years as against Rs 1[illegible],052 in the previous year Out of this, a sum of Rs 2,834 was collected during the year as against Rs 5,151 during the previous year leaving a balance of Rs 15,819 Out of this balance, a sum of Rs 13,252 is kept in deposit which is to be adjusted

IV Other Miscellaneous Items

This includes the revenue under sewage farm, sale of manure and pasture lands, cart and cycle stands, notice and warrant fees, swimming pool collections, hawkers license fees, etc

The total demand under this head including the arrears of previous years was Rs 1,01,133 as against Rs 62,596 in the previous year Out of this, a sum of Rs 47,172 was collected as against Rs 18,[illegible]47 in the previous year, leaving a balance of Rs 53,960 as against Rs 43,657

V Education Cess

The demand under this head including arrears was Rs 79,685, out of which a sum of Rs 4[illegible],728 was collected, leaving a balance of Rs 3[illegible],957 at the end of the year under report

Incidence of Taxation

8 The incidence of taxation per head of population was Rs 3 5 3 during the year under report

Street Lighting Charges

9 A sum of Rs 88,396 was paid during the year towards lighting charges The following figures furnish the details of street lighting charges paid and the lighting tax collected during the past five years —

Year	Amount spent on street lighting	Amount of lighting tax collected
	Rs	Rs
1942 43	57,111	42,605
1943 44	68,040	44,644
1944 45	65,898	51,295
1945 46	73,038	43,896
1946 47	88,396	66,196

ENGINEERING SECTION

ADMINISTRATION

10 Mr R Madhvan, B E , continued to be incharge of the department till 28th April 1947, on the forenoon of which date Mr S Biligiri Rao, B E (the undersigned), took charge of the department and continued in that office The two Assistant Engineers, *viz* , Messrs K Padmanabhan, B E , and M Narayana Rao, B E , assisted the undersigned in the prompt execution of the Municipal Engineering Works

PUBLIC WORKS

11 The total grant for the year was Rs 14,85,297 as against Rs 21,94,48[illegible] in the previous year inclusive of the establishment charges The total expenditure incurred during the year was Rs 6,79,5[illegible]2 The balance lapsed

A statement showing the budget allotment and expenditure is appended The entire amount could not be utilised for the reason that the tenderers did not come forward for many works owing to fluctuations of the market and the difficulty of securing labour and materials required for the work Even the Divisional contractors could not execute works promptly and they also made repeated representations for payment of enhanced rates which involved much correspondence This led to protracted correspondence and delay in the execution of works

ORIGINAL WORKS

(i) *Roads Original* —The total expenditure under this head was Rs 44,342 Some of the important works executed during the year under report are noted below —

1 Providing new kerbing in Crescent Road, American Colony I Division

2 Providing new unsize stone pitching in Kumara Park Extension, I Division

3 Laying pitching in 14th Cross Road, Malleswaram

4 Providing new pitching to the sides of Nagappa Street in Palace Grounds, I Division

5 Providing new unsize stone pitching in Crescent Road from Kumara Park, I Division

6 Providing new unsize stone pitching and edging in Crescent Road, I Division

7 Providing new kerbing in Crescent Road, I Division

8 Providing new burnt unsize stone pitching to lanes and burnt stone slabs to the Girls School, I Division, from the Storm Water Channel

9 Metalling 5th Main Road, Malleswaram, IX Division

10 Metalling 11th Cross Road, Malleswaram, IX Division

11 Metalling 9th Croass Road, Malleswaram, IX Division

12 Reforming 6th Cross Road, Malleswaram, IX Division

13 Providing side pitching to 8th Cross Road, Malleswaram

14 Providing unsize stone pitching to the sides of Subbaramn Chetty Road, VIII Division

15 Providing side pitching to the 11th Cross Road and 2nd Main Road, IX A Division

16 Laying side pitching to 12th Cross Road, Malleswaram

17 Cement Grouting, Periyanna Lane

18 Providing pitching to the road side of South East Corner of Mavalli Circle, VI Division

19 Providing pitching to the sides of the cross road in front of Star Buildings in VI Division

20 Providing pitching in Oosman Khan Road, VI Division

21 Providing pitching to the road side in Lal Bagh Fort Road in front of the Nursing Home, VI Division

22 Providing stone pitching to road side in Gavipur Guttahalli Road, VII Division

23 Edging in Patalamma Temple Street in Basvangudi, VIII Division

24 Providing unsize stone pitching in Srirampur, IX B Division

25 Tarring near Asaktha Poshaka Shabha in Visweswarapuram Extension

26 Providing stone pitching in Srirampuram, 3rd Cross, Northern side in IX Division

27 Tarring 8th Main Road, Malleswaram and 15th Cross

28 Do 13th & 14th Cross Roads, Malleswaram

29 Do 15th & 12th Cross Roads, Malleswaram

30 Do 9th & 10th Cross Roads, Malleswaram

31 Providing kerbing in Bellary Road near Guttahalli

32 Do do Palace Polo Gate

33 Do at foot paths in Hoskote Road

34 Forming Arcot Srinivasachar Street, III A Division

35 Forming New Deviation Road in Gavipur Guttahalli

36 Forming Cross Roads in Arcot Srinivasachar Street, III A Division

37 Metalling the sides in Sethu Rau Street in III A Division

38 Pre mixing the sides in Sethu Rau Street in III A Division

(b) *Drains Original* —Drains were constructed both in the City and Extensions, the total length being 15,692 R ft as against 12,321 R ft during last year The total expenditure incurred was Rs 48,052 as against Rs 19,022 in the previous year A few of the important works done during the year are noted below —

1 Constructing a saucer drain in Balepet, II Division

2 Do V shape drain in 2nd Main Road, Seshadripuram

3 Do V shape drain in Venkataranga Iyengar Road

4 Do a drain in Thippa Setty Mutt Extension, II Division

5 Do a box drain in Cunningham Road, I Division

6 Do a main drain in West Guttahalli, VII Division

7 Do a drain in Appajappa Agrahar

8 Do a main drain in West of Gavipur Guttahalli VII Division

9 Do drain in Gopalapuram, III B Division

10 Do V shape drain in Muniswara Temple, I Division

11 Providing a new drain in Adikarnataka Block, I Division

12 Raising the box drain in Sethu Rao Street, III Division

13 Removing and resetting covering slab in Sethu Rao Street

14 Covering the drain with slabs in 2nd Cross, Gandhi Nagar

15 Providing burnt stone slab 3' x 4' thick over the box drain along Appu Rao Road, VII Division

16 Constructing an open drain on the Main Road, Doddapalya, III B Division

17 Do a box drain in East of Platform Road, I Division

18 Do a silk pattern drain, Royapuram Goripalya, III B Division

19 Do box drain in Race Course Road I Division

20 Do box drain in Venkataranga Iyengar Street, I Division, to the west of I Main Road

21 Do storm water drain in Subbarama Chetty Road, VIII Division

22 Do V shape drain in Gopalapur, III B Division

23 Improving the sides of Sethu Rao Street, III A Division

24 Constructing a V shape drain in 3rd Cross Road, Azad Nagar

25 Do a V shape drain in South of the the Mosque Road in Palace Guttahalli

26 Do a V shape drain to the north of door No 139, west of Channakrishnappa Road, I Division

27 Do a V shape drain to the south of I Main Road of Palace Guttahalli

28 Constructing a box drain in Race Course Road on Subedar Chattram Road, I Division

29 Providing a slab drain in Karnick Road, Shankarpur, VII Division

30 Constructing a L shaped drain in the conservancy lane of Venkataranga puram

31 Constructing a silk pattern drain in Agrahar on Magadi Road

32 Providing surface drain in Karagappa Garden, VI Division

33 Constructing a V shaped drain in 4th Cross Road of Agrahar, III B Division

34 Constructing a L shaped drain to the left of Royapuram Road, III Division

Constructing a masonary drain to the south of Mr J P Das s property

(c) *Buildings Original* —No new buildings were constructed during the year The construction of fountain in front of the City Municipal Offices which was taken up last year was completed during the year

Layout

The expenditure under this head during the year was Rs 21,836 as against Rs 13,000 in the previous year Some of the important works executed during the year are noted below —

1 Metalling the new roads near the sweepers huts in Goripalyam, III B Division

2 Metalling roads in Kempapur Agrahar, III B Division

3 Metalling the Main Road, Agrahar Tank Bund Road, III B Division

4 Cleaning the jungle in Kalasipalyam, VI Division

5 Constructing a storm water box drain at the end of the I Main Road, Narasimharaja Colony

6 Constructing a tunnel of 3′ x 3′ at the junction of I Main Road near the Childrens Playground to Narasimharaja Colony

7 Constructing a storm water drain in the I Main Road of Narasimharaja Colony

8 Layingout sites in Narasimharaja Colony

9 Filling up pits in Kalasipalyam, VI Division

10 Filling up trenches and formation of roads in Kalasipalyam Extension

11 Constructing a street drain in Narasimharaja Colony

12 Constructing a storm water drain in Acharya Patashala, VIII Division

13 Constructing a storm water drain in Narasimharaja Colony

REPAIRS —Special Repairs of Roads

A total length of 80 furlongs was metalled, 200 furlongs gravelled, 94 furlongs tarred and 198 furlongs were given a paint coat The total cost incurred under this head was Rs 21,254 as against Rs 30,029 in the previous year

Lanes flagged with stones

Three thousand five hundred and forty five squares of pitching were provided to the road margin and lanes as against 1,447 squares in the previous year

Ordinary Road Repairs

The permanent gang, as usual, attended to the repairs of pot holes, tarred roads and sanding, etc The City has 63 miles of tarred roads, 70 miles of metalled roads, 57 miles of gravelled roads and 25 miles of pitched roads All these were maintained in a fairly good condition by executing necessary repairs Inclusive of the establishment charges the total cost incurred both under special and ordinary repairs of roads was Rs 25,782 as against Rs 31,988 in the previous year

Drain Repairs

A total length of 7,9 0 R ft of drain was set right during the year as against 6,073 R ft in the previous year A sum of Rs 5,076 was spent for repairs during the year including the cost of establishment as against Rs 2,918 in the previous year

Mobile Gang for Intensive Cleaning

This work was carried on as per programme fixed in advance with the help of the lorry and supervising establishment The total expenditure incurred on his account was Rs 10,352 as against an allotment of Rs 10,000 during the year

Building Repairs

The total cost incurred under this head during the year was Rs 10,089 as against Rs 2,535 in the previous year The following are some of the works done during the year

1 Repairing the mantap in the Mohamedan Burial Ground

2 Sanitary fittings to Municipal Office Building, V Division

3 Annual repairs to the Municipal Swimming Pool

4 Repairs to the Sweepers Colony

5 White and colour washing Sankey Tank Compound wall in Seshadri puram, I Division

6 Annual repairs of Slaughter House, VI Division

7 Annual repairs to Sajjan Rao Dispensary, VI Division

Establishment (Permanent) and Contingent Charges

The expenditure under this head was Rs 31,315 as against Rs 27,809 in the previous year

City Improvement Works

The works under this head were executed with the assistance of the ssistant Engineers and the Divisional Sub Overseers The following are some the important works executed —

1 Metalling the damaged portion of Arlepet Road, III Division

(1)	18	Glazed Stoneware Pipes		326	R ft
(2)	9'	Do	do	1,471	,,

(3)	7" Glazed Stoneware Pipes	41,741 R ft
(4)	Cement concrete ovoid sewer	2,417½

The outlay during the year was Rs 2 06 lakhs on the underground drainage works

ACQUISITION

The term of the Special Land Acquisition Officer was extended by one year from 6th June 1946 to 6th June 1947 in Government Order No L 3998 4002—Ml 10 46 29, dated 16th September 1946 Mr A Viswanath, B Sc , B L continued to be the Special Land Acquisition Officer during the year

The expenditure incurred towards acquisition charges was Rs 2,76,719 9 1 during the year under report as against Rs 3,08,3 9 during the previous year

The following schemes were completed during the year under report —

1 Acquisition of a portion of S No 27, Malenahalli village, I Division Bangalore City for forming and connecting the 3rd Main Road of Annayappa Block to New Guttahalli

2 Acquisition of two properties behind Tharamandalpet Market, IV Division, for constructing Fuel Market

3 Acquisition of portions of door Nos 117 and 118, Kumbarpet, V Division, for widening the road

4 Acquisition of portion of door No 51², Avenue Road, IV Division, for widening the road

5 Acquisition of portions of nine properties in Channarayaswamy Temple Street, V Division, for laying sewer lines

6 Acquisition of eight properties in S No 54, Hanumanthapur village, I Division, for construction of sweepers huts in Platform Road

7 Acquisition of portions of vacant lands in Kayamgutta Ranganathapur village, IX Division, for laying 3 sub main

8 Acquisition of seven properties in Kethamarnahalli village, Bangalore North Taluk, IX Division, for the formation of Labour Colony

9 Acquisition of five properties S No 39/1, 164/2, 164/4, 165/4 B, 164/3, Doddabilakhana village, Bangalore North Taluk, for laying out sewer lines

10 Acquisition of portions of door Nos 32 and 34, Annamma Temple Street II Division, for the formation of a road

11 Acquisition of door No 6, Gudumianpet, Rangaswamy Temple Street II Division for keeping the space open

12 Acquisition of three properties S Nos 61, 65, 70 Jodi Kempapura Agrahar, III Division, for the formation of Hindu Burial Ground

13 Acquisition of portion of door No 183, Tharagupet, III Division, for the construction of Bathing Ghat and Playground

14 Acquisition of door No 32, Thotadevaragalli, III Division, for the construction of a cattle shed

15 Acquisition of site No 37, Gavipur Guttahalli, VII Division, for the continuation of the 3rd Cross Road

16 Acquisition of door No 12/1, Sunkenahalli village, VII Division, for forming conservancy lane

17. Acquisition of properties in Koracharapalya, (Parvathipur), VI Division, Bangalore City, for improving the said area The acquisition has been cancelled by Government, *vide* Government Order No L 12195—Ml dated 5th March 1947

The following Government schemes were also attended to and completed by the Special Land Acquisition Officer —

1 Acquisition of S No 19, Jakkasandra village, Bangalore North Taluk, IX Division, for converting Appiah Naidu Maternity Home, Malleswaram into a Maternity Hospital

2 Acquisition of vacant land belonging to Sri Karanji Anjaneyaswami Temple, VII Division, Basavangudi, for Girls High School

3 Acquisition of vacant land attached to Municipal door Nos 62 and 63 in Subedar Chattram Road, II Division, for the construction of Ayurvedic and Unani Hospital, Bangalore

4 Acquisition of properties in Old Gangammacherry —

Out of 51 properties in which awards were passed, possession was taken in respect of seven properties only during the last year The owners of the remaining properties have refused to hand over possession on the ground that they should be provided with sites elsewhere before vacating the acquired properties Arrangements are being made to form a layout for them after acquiring certain survey numbers in Sampigehalli village

5 Acquisition of properties for the construction of combined Ayurvedic and Unani Hospital, Bangalore

Out of six properties proposed for acquisition in second stage, possession was taken in respect of properties One case is still pending in the City Magistrate's Court Acquisition proceedings were dropped by Government in respect of three properties last year and fresh proposals were called for in respect of doors No 37 and 58 and the same is pending in the Municipal Executive Engineer's Office No further expenditure is incurred in this behalf during the year under report out of the balance of Government deposit on hand

The following important schemes and some other 16 minor schemes were sanctioned by the Municipal Council and Government during the year under report and were under different stages of progress at the end of the year

Acquisition of properties Nos from 37 to 44. Sri Kasi Visweswara Temple Street for extending the present Maternity Home II Division, Bangalore City

Acquisition of properties for the construction f a Vegetable Market at Basavangudi, VIII Division, Bangalore City

Acquisition of certain properties in Akkipet lore City, for widening the road

Acquisition of properties in Doddabailakhana village for formation of Kalasipalyam layout All the properties were taken possession except four cases for which orders of Government are awaited

PUBLIC HEALTH

1 Administration

Dr S Seshagiri Rao, B Sc, M B B S, D P H, continued to be the Health roughout the year under report

2 Registration of Births and Deaths

The total number of births registered during the year under report 4 as against 9,694 in the previous year, giving a birth rate of 46 4 per opulation as compared with 40 3 in the previous year The population of the City as per 1941 Census is 2,47,902

(*b*) The births reported were as follows —

	1946 47	*1945 46*
Vani Vilas Hospital	6,575	5,999
Municipal Maternity Homes	2,056	1,800
Untrained Dais	2,141	1,640
Municipal Midwives in Divisions	742	554
Total	11,514	9,993

(*c*) Exclusive of 6 5 still births, 10,879 births were registered during the year as against 9,400 in the following year, giving a birth rate of 43 9 as again t 37 9 in the previous year

(*d*) The highest number of births, *viz*, 960 was registered during the month of July 1946 and the lowest, *viz*, 809 in the month of January 1947

B (*a*) The total number of deaths registered during the year was 6,112 as against 7,867 in the previous year, giving a death rate of 24 65 as compared with 31 73 in the previous year

(*b*) Deaths reported from various institutions were as follows —

(1) Victoria Hospital	688
(2) Vani Vilas Hospital	637
(3) St Martha s Hospital	132
(4) Epidemic Hospital	155
(5) Mental Hospital	76
(6) Minto Ophthalmic Hospital	6
(7) Municipal Maternity Homes	43
(8) Divisions	4,375
Total	6,112

(*c*) The deaths classified according to major causes are as under —

	1946 47	*1945 46*
Choleronic Diarrhœa		4
Small Pox	3	112
Plague	42	213
Typhoid	49	50
Influenza	5	
Consumption	166	263
Diarrhoea and Dysentery	904	1,019
Pneumonia and Broncho Pneumonia	730	640
Premature birth	488	585
Malaria	68	70
Total	2,455	2,956

(*d*) *Minor Causes* —	*1946 47*	*1945 46*
Convulsions	578	840
Diphtheria	4	4
Dropsy	210	280
Pyrexia	165	317
Chicken pox		1
Whooping cough	14	14
Debility	15	58
Bronchitis	29	321

Rickets	41	124
Asthama	150	124
Heart Failure	95	67
Hydrophobia	3	10
Old Age	645	198
Measles	2	25
Other causes	1,706	2,027
Total	3,657	4,910

(*e*) Exclusive of 645 still born children, the number of deaths registered during the year was 5,477 as against 7,274 in the previous year, the death rate being 22 09 per mille as against 29 3 in the previous year

(*f*) The number of still born children was 635 as against 593 in the previous year

(*g*) The highest number of deaths, *i e*, 410 occurred in the month of January 1947 and the lowest number, *i e*, 374 in the month of April 1947

C INFANT MORTALITY

(*a*) One thousand four hundred and forty seven children under one year of age died during the year as against 1,824 in the previous year, giving an infant mortality rate of 144 5 per 1,000 live births registered as compared with 182 5 in the previous year

(*b*) The highest number of infant deaths, *viz*, 169 occurred in the month of January 1947

The number of deaths due to important infectious diseases are as follows —

	1946 47		*1945 46*	
	A	D	A	D
Plague	50	42	351	213
Small pox	4	3	216	112
Enteric Fever	54	49	50	50
Consumption	166	166	263	263
Total	274	260	880	638

(*b*) *Minor Infectious diseases* (deaths)—

	1946 47	*1945 46*
Chronic Diarrhoea		4
Influenza	5	1
Diphtheria	4	4
Whooping Cough	14	14
Total	23	23

PLAGUE

(c) There were 50 attacks and 42 deaths during the year under report, of which 18 attacks and 13 deaths were imported and the rest indigenous The usual preventive measures adopted to arrest the spread of the disease were disinfection, dessication, isolation, inoculation and cynogasing

A total of 11,116 persons were inoculated, 116 Rodents were examined, of which 2 were found to be positive for plague and the rest 114 negative, 159 houses were disinfected for rat fall, etc Intensive cynogasing work was undertaken by entertaining special gang of 60 men Four lakhs fifty two thousand, seven hundred and ninty four rat burrows, 41,688 houses were fumigated and 17,224 rats and bandicoots were found dead during the operation,

SMALL POX

(d) Four attacks and three deaths from small pox were reported during the year as against 216 attacks and 112 deaths in the previous year T

TYPHOID

(e) There were 54 attacks and 49 deaths from typhoid during the year under report as against 50 attacks and 50 deaths in the previous year The following preventive measures were adopted to combat the disease —

(i) On intimation of the existence of typhoid fever cases, reports were prepared, giving details of water supply and sources of possible infection.

(ii) Samples of water from the infected premises were sent for Bacteriological Examination and the results indicated no typhoid group of organisms

(iii) Cut fruits and unwholesome articles of food and vegetables, etc, exposed for sale were destroyed and parties warned not to expose cut fruits without glass cases

The sanitary police and sanitary staff took vigorous action to prevent cut fruits being exposed for sale

The mobile police who were disbanded from 1st February 1945 were again entertained from 7th April 1946 Three daffedars and six constables were entertained for conducting intensive drive to prevent nuisance being committed, to remove encroachments and to prevent sale of foodstuffs on foot paths and over drains Out of 1,071 cases launched under Police and Municipal Acts, 659 were convicted and Rs 581 8 0 were realised in the form of fines The remaining cases were pending at the end of the year

(iv) Other food samples such as milk etc, being suspected were examined and necessary action taken

(v) The public urinals and latrines and drains were cleaned and washed with disinfectant solution daily.

(vi) Five hundred and thirty nine persons were protected with anti typhoid inoculations in the infected localities

Several other methods were also adopted in addition —

(1) The attention of the Proprietors of Hotels, Coffee Clubs, Bakeries, Sweetmeat Stalls, Ice and Aerated Water Factores was specially drawn to some of the conditions laid down in hotel bye laws and improvements wherever necessary were strictly got effected Medical examination of food handlers in hotels, etc , was strictly enforced

(3) Two hundred and seventy three houses were disinfected and a small quantity of disinfectant was left in houses with instructions to make a lotion and wash their hands immediately after attending on the typhoid patients

PROPAGANDA

20 Talks on health subjects, such as inoculation against Plague, Cholera, Typhoid and vaccination against Small pox were given to small gatherings by the sanitary staff during their rounds in their respective divisions —

(a)—INOCULATIONS

		1946 47	*1945 46*
21	Plague	11,116	31,049
	Typoid	539	350
	Cholera	593	4,150
	Total	12,248	35,549

(b)—DISINFECTION

The total number of houses disinfected for various epidemics were as follows —

	1946 47	*1945 46*
Plague	159	708
Typhoid	74	144
Small pox	31	414
Cholera		10
Total	264	1,276

(c)—VACCINATION

The total number of vaccinations done during the year was 27,682 as against 96,287 in the previous year Out of this, 9,599 were primary, and 18,083 re vaccinations against 10,762 primary and 85,525 re vaccinations in the previous year

(d)—SANITATION

(a) The strength of the establishment was as follows —

(i) Sanitary Inspectors 11 (Nine for General Sanitation and two for Intensive Cleaning)

(ii) Junior Sanitary Inspectors 18 (Fifteen for General Sanitation, two for Intensive Cleaning and one for Pipe Line)

(iii) Sanitary Daffedars 53 (Forty three for General Sanitation and ten for Intensi

(iv) Sweepers and scavengers including other gangs 1,053

(v) Silt carts 70

(vi) Motor Lorries 11

(vii) Ambulance Cars 2

(b) The sanitary staff in the course of their daily rounds visited several houses and got rectified the remediable defects detected by them One thousand seven hundred and thirty three notices were issued as against 2,788 in the previous year, under different sections of the Mysore City Municipalities Acts as noted hereunder —

No	Sections	Particulars	Notices	
			Issues	Complied with
1	121 127 128 186	Improvements of latrines and drains	1 468	1 172
2	112 117 118 186	Removal of the insanitary sheds	15	11
3	150 152 154 158 162 186	Rank vegetation and insanitary wells	43	28
4	51	Shaving saloons and parching grains	45	34
5	144	Unauthorised constructions	6	2
6	181	Charcoal Depots	30	30
7	140	Trimming of Hedges	24	21
8		Other sections	102	85
		Total	1 733	1 383

During the year, 1,103 prosecutions were instituted under various sections of the City Municipalities Act as against 1,391 prosecutions in the previous year Fines impossed this year were Rs 1,258 8 0 as against Rs 3,593 4 0 last year Two hundred and thirty seven food samples were collected this year, as against 404 in the previous year One hundred and forty four prosecutions were instituted this year as against 167 in the previous year, under the Food Adulteration Act

(*c*) The scheme for the introduction of flush out latrines in private houses on a large scale where the underground drainage has been laid was continued and as a result 1,634 improved type of closets came into existence during the year making a total of about 12 584 flush outs up to date

(*d*) The pipe line staff attended to the systematic cleaning of the under ground drainage lines The underground sewer are being laid in many parts of the City Two sewers frequently got choked up due to misuse by the public and also due to the sand being washed down into the sewers through the gully traps The sewers and manholes require constant attention and have to be frequently cleaned off the silt Additional establishment is required for the purpose

Drain Clearing Gang

22 Storm water drains run through the City The drains are covered by slabs to a great extent It is seen that very many drains are choked up and require to be de silted Six sweepers with five carts are sanctioned for removing the silt

Rapid Removal of Night Soil

23 The old method of hand removal of night soil still prevails in the City A scheme for rapid removal of night soil was introduced on a small scale during the year 1940 41 and continued during the year under report One thousand and sixty one tons of compost were prepared and sold to the public and a sum of Rs 841 8 0 was collected till the end of the year of report

Hotels and Coffee Clubs, etc

24 Six hundred and thirty eight applications were received for the grant of licenses and all of them have been disposed of by granting license in each case as detailed below —

	Particulars	No of applications pending at the beginning of the year	No of applications received during the year	Total	Applications granted	Applications refused	Fees realised
1	Hotels and Coffee Clubs		304	304	304		
2	Bakeries		57	57	57		
3	Aerated Water Factories		26	26	26		
4	Barber shops		183	183	183		
5	Parching Grains		19	19	19		
6	Oil Mills		9	9	9		
7	Storage of films		40	40	40		
	Total		638	638	638		

Dangerous and Offensive Trades

25 Out of 907 applications that came up for disposal during the year under report, licenses were granted in 829 cases and in 61 cases they were refused Seventeen applications were pending disposal at the end of the year

Licenses for Flushout Latrines, etc

	Particulars	No of applications received	Licenses granted	Licenses refused	Under correspondence
1	Flushout latrines	2 174	1 634	516	24
2	Sanitary plumbing	62	56	6	
	Total	2 236	1 690	522	24

Food Control

26 The Health Officer, the Food Inspector and Sanitary Inspector visited the Hotels, Coffee Clubs, Aerated Water Works, Sweetmeat Stalls and Bakeries during their rounds and necessary improvements were suggested wherever needed

During the year under report the following foodstuffs were collected and analysed by the Food Analyst and the results were as follows —

	Particulars	No of samples	No found genuine	No found adulterated	No found rancid
1	Mixed milk	90	20	70	
2	Mixed butter	35	9	25	
3	Curds	11	2	9	
4	Cows milk	65	10	55	
5	Buffalo milk	28	6	22	
6	Nonspecified milk	5	1	4	
7	Vegetable fat	3	1	2	
	Total	237	49	187	

During the year under report a total of 237 samples of foodstuffs were analysed

City New Market

(*a*) The City New Market was in direct charge of the Health Officer from January 1946 Special attention was paid to the general sanitation of the City New Market and arrangements were made to wash the vegetables with disinfectants before exposing them for sale

There were 32 sweepers including scavengers, 4 conservancy daffedars and 1 silt cartman, the expenditure on this establishment being Rs 4,896 per annum, as detailed below —

			Rs	
Twelve sweepers on	Rs 12 each		1,728	per annum
Four do	„ 11 „		528	„
Sixteen do	„ 10 „		1,920	„
One silt cartman on	„ 60 „		720	„
		Total	4,896	

The sanitary staff inspected other n nor markets in the several divisions of the City in the course of their usual rounds and the defects noticed were promptly rectified

The Minister for Education and Public Health paid surprise visits to the City Market and issued necessary instructions to improve the Market still further Fly proof dust bins and litterbins have been introduced in the City Market It is also proposed to introduce litter bins in the streets of Bangalore City

(b) The Market Inspector was in charge of the slaughter house as usual The Health Officer inspected the same from time to time The number of animals slaughtered and rejected during the year was as detailed below —

		Sheep	*Goat*	*Total*
1	Number of slaughtered	39,864	62 925	1,02,789
2	Number rejected	85	246	331

Anti Ralic Measures

28 The number of dogs destroyed during the year was ,8_2 as against 3,099 in the previous year

Dog license fee was collected by the Pevenue Authorities There is a dog pound attached to the Disinfection Stores, with a dozen compartments for impounding dogs Dogs caught were impounded for three days, during which time if the owner produced the license they were released and the rest were destroyed While in pound, they were fed at the cost of the Municipality, the expenses incurred being Rs 51 5 0 during the year under report as against Rs 60 8 6 in the previous year The feeding charges recovered from the owners amounted to Rs 10 10 0 as against Rs 10 8 0 in the previous year and this amount was credited to the Municipal Treasury A large number of dogs was supplied to the Serum Institute for experimental purpose

Maternity and Child Welfare Work

29 The annual activities of the two Maternity Homes and Child Welfare work continued to be maintained during the year One thousand two hundred and fifty seven labour cases were conducted in the Municipal Maternity Homes

With a view to afford skilled aid to all pregnant women at child birth at their homes, the scheme proposed for starting a Maternity and Child Welfare Centre in III Division was sanctioned by Government in their Order No L 1232 25—Ml 10 14 163, dated 20th June 1945 The Centre was started in June 1946

Two Public Health Nurses and six midwives go from house to house in their areas, give talks on Maternity and Child Welfare and prepare a list of pregnant women and attend to domiciliary confinements The Public Health Nurse supervises and checks the work of the midwives, makes ante natal and post natal visits and assists the Lady Doctor in conducting the clinics During the year under report, they have visited 9,300 houses, recorded 2,500 pregnant women, conducted 165 labour cases and have paid 6,016 ante natal and post natal visits

The Municipal Maternity Home, Manavarthepet, was under the supervision of the Lady Doctor, Mrs Grace Phillips and Seth Chellaram Maternity Home was under the supervision of Dr Miss Lakshmidevamma

Anti Malaria and Cullx Section

30 The personnel of the Unit remained the same as in the previous years, *viz* , one Assistant Health Officer, four Junior Sanitary Inspectors, eight Head Fieldmen and 242 Fieldmen The mosquito control operation was continued as in the previous years

Malaria in Kempapur Agrahar

An additional gang of 12 men was entertained in June 1947 to undertake the drainage work to draw all seepage and to spray all houses in Kempapur Agrahar with pyrethrum mixture to check the spread of malaria These temporary men were also drafted for trimming and cleaning the edges of pools and drains and for drawing all seepage water from the water logged area A total length of about 13,191 yards of drain work was completed during the year under report Twenty three thousand three hundred and thirty three Tabloids of Mopocrine were distributed during the year The Health Officer and the Amildar of the Bangalore Taluk had a joint inspection of the quarries round Gavipur village and the area round about the Municipal Sewage Farm below Kempambudi Tank The Deputy Commissioner, Bangalore District, was addressed in the matter of prohibiting licensed and unlicensed quarrying inside and within one mile radius round the City, so that further breeding places of mosquitoes may be prevented

The Amildar, Bangalore Taluk, was also requested not to issue brick kiln licenses within a radius of one mile round about the City to prevent formations of pits and subsequest mosquito breeding

The Superintendent, Bureau of Malariology, brought the final year L M P Students to the Sankey seepage area and explained to them the proposed sub soil jelly drains to be executed to draw all seepage and dry the area as an anti malarial measure

Water Samples

The management of the protected water supply remained in the hands of the Executive Engineer, Water Supply Division, Public Works Department

Seven hundred and ninety two samples of tap water were collected from different parts of the City during the year and sent for Bacteriological examination The results were satisfactory except in a very few cases Defective cases were rectified and subsequent samples of water have shown satisfactory results

Spleen Survey

The usual annual spleen survey in the City was conducted in July 1946 by the Assistant Health Officer Twenty seven schools in various localities were visited, 3,766 children were examined Excluding 19 imported cases, 54 boys were found to have enlarged spleens, giving a spleen rate of 1 76 as against 2 16 during the previous year

Milk Centres

31 Two milk centres—one in the Poorniah s Choultry, II Division and another in Belimutt Road, III Division—opened in June 1945 continued to work satisfactorily in the year Only poor and deserving expectant mothers and children under two years of age are entitled One hundred and seventeen children and four expectant mothers were served with quarter seer of milk daily on an average in each of the Centres A total quantity of 21,744¾ seers of milk were distributed to deserving children during the year The matter of opening a third milk centre in the IV Division is under consideration

Weekly Intensive Cleaning Campaign

32 The scheme of weekly intensive cleaning was continued during the year and was undertaken twice in IV Division, thrice in VII and VIII Divisions, four times in II, V and VI Divisions, five times in I Division and six times in III and IX Divisions The intensive gang attended to cleaning other slum areas on other days The following are the items of work that were undertaken during each weekly campaign —

1 Intensive cleaning of the main roads, cross roads and conservancy lanes

2 Removing silt from all the surface drains

3 Do do the box drains

4 Do do old heaps of silt

5 Scraping of grass from the side of the drains

6 Cleaning and disinfecting the public latrines, urinals and drains with phenyle

7 Removal of silt from manholes and pipe lines and cleaning up of under ground sewers

8 Disinfecting places which are usually resorted to by the public for committing nuisance

9 Oiling all stagnant pools of water and letting in fish into wells to control mosquito breeding

10 Removal of silt and rubbish from the areas by a number of silt carts with lorry drafted to the area

One thousand nine hundred and eighty nine cart loads of rubbish were removed from sweepings A total length of 16,770 feet of box drains, 832 man holes, 10,700 yards length of pipe lines were got cleared Four hundred and fifty nine cart loads of silt were removed Stagnant water pools were all oiled

SPECIAL ACTIVITIES

Baby Show, Health and Fine Arts Exhibition was arranged during Christmas from 24th December 1946 to 31st December 1946, in the University Medical Hall A malaria section was also opened along with other sections of General Health, Nutrition, Epidemiology, Bacteriology, Water Supply and Town Planning The total number of visitors to the exhibition was nearly 30,000

SEWAGE FARM

34 This was managed departmentally by the Municipality A portion of the land was leased out for Rs 2,640 and the rest was managed by the Municipality A sum of Rs 10,000 was realised during the year of report as against Rs 7,500 in the previous year

DEAF AND DUMB SCHOOL, READING ROOMS AND LIBRARIES

35 All these continued to be supervised by the Municipal Reading Room Committee consisting of five Municipal Councillors

The total expenditure under this head during the year was Rs 14,455 as against Rs 12,328 during the previous year

The grants in respect of the following Reading Rooms were enhanced during the year —

Name of the institution	From Rs	To Rs
(1) Chamarajpet Reading Room	25	35
(2) Y M C A Reading Room	25	30
(3) Seshadripuram Reading Room	25	40

Commissioner,

Bangalore City Municipality

PROCEEDINGS OF THE GOVERNMENT OF H. H. THE MAHARAJA OF MYSORE

READ

Correspondence ending with letter No C 125/47-48 dated the 3rd June 1948 from the Municipal Commissioner, Bangalore City, forwarding the Administration Report on the working of the Bangalore City Municipality for the year 1946-47 together with a copy of the resolution of the Municipal Council thereon

ORDER NO L 2312-87

Dated, Bangalore, 4-9-48

RECORDED

2 Area and population The area of the city was 15 square miles as against 14 8 square miles in the previous year The population of the city was 2,47,902 as per the Census of 1941

3. Constitution The strength of the Municipal Council remained the same as in the previous year viz thirty Sri P Shivashar B A ,LL B , and Sri A K Jayamuthuraju were President and Vice-President respectively till the 31st December 1946 when their term expired and fresh elections to these offices for the period from 1st January 1947 to 31st December 1947 were held on the 18th December 1946 Janab A J Khaleel and Sri Singam Rangaswami were elected President and Vice President the Municipal Council and they held office as such the end of the year 1946 1947

4. Municipal Officers Mr Safi Darashah, continued to be the Municipal Commissioner throughout the official year

Sri R Madhavan, B E , Executive Engineer the Municipality was transferred to the

City Improvement Trust Board, Bangalore, as Engineer Officer and Sri S Biligiri Rao, B E , assumed charge of the office of the Municipal Executive Engineer from 28th April 1947

Sri S Seshagiri Rao, B.Sc M B B S., D P H continued to be the Health Officer of the Municipality Sri A Viswanath ~~continued to be the Special Land Acquisition Officer during the year~~ and Sri C S Venkataswamy Naidu, B.A ,LL B , ~~continued to be~~ were the Municipal Advocate respectively

5 Meetings The Municipal Council held 41 meeting of which 12 were ordinary and 11 adjourned and 18 special ~~meetings~~

6 Committees There were eight committees as in the previous year The Managing Committee and the City Improvement Committee held 30 and 19 meetings respectively The Health Committee held 35 meetings The Market, Byelaw, Langarkhana and the Reading Room Committees held 3, 1, 6 and 4 meetings respectively, ~~where~~ while the Audit Committee did not at all meet This is very unsatisfactory as the ~~Audit~~ Committee had not met during the two previous years also In the interests of the internal audit of the accounts of the Municipality, it is very necessary that this committee should meet regularly and transact business

7 Finance. The year began with an opening balance of Rs 7,72,842 The receipts and expenditure during the year amounted to Rs 50,33,196 and Rs 42,79,206 respectively leaving a balance of Rs 15,26,832 at the end of the year under report A heavy amount remains unspent and it behoves the Municipal Council to prepare a suitable programme of improvement works to be undertaken to provide amenities

the citizens

8 Demand, Collection and Balance

The total demand under all the heads of revenue was Rs 41,89,048/- including the arrears of Rs 6,45,345 outstanding at the beginning of the year Out of this a sum of Rs 33,19,004 was collected, leaving a balance of Rs 8,70,044 at the end of the

Although there has been some improvement in the collection, yet the arrears continue to be heavy especially under items like the profession tax Energetic steps should be taken under the provisions of the Mysore City Municipalities Act and the Rules framed thereunder, to reduce the arrears

9 Incidence of taxation

The incidence of taxation per head of population was Rs 3-5-3

10 Public Works (In the Municipal Engineering Secr

The total grant under the head was Rs 14,88,679 as against Rs 21,04,484 in the previous year, inclusive of the establishment charges The total expenditure incurred during the year was Rs 6,79,532 It is ~~[illegible]~~ indeed unsatisfactory to note that there are heavy lapses in the sanctioned grants under this head Although this is explained as being due to the tenders not coming forward for many works owing to fluctuations of the market and the difficulty of securing labour and materials required for the works, yet it should be avoided as far as possible by taking timely action

The more important works executed during the year were -

1) Providing ornamental compound wall in the Silver Jubilee Park Rs 5,27(

Constructing Fish and Poultry Stalls in City Market	Rs 15,398/-
Constructing quarters in the Adidravida Block in Harijan Colony, Siddapur	Rs 10,475/-
Cement Concreting Kemmangundi Road	Rs 6,163/-
Laying cement concrete in Cottonpet to Briand Square and to Super Talkies	Rs 21,787

Public Works carried out by the Public Works Department -

The incomplete works of 1945-46 were carried out to the extent of Rs 2,32,889 and the current works for 1946-47 to the extent of Rs 3,39,737, making a total expenditure of Rs 5,72,626

11 Water Supp

The control of water supply continued to vest in the Public Works Department Out of the sum of Rs 8,62,776 due by the Municipality in this behalf to Government for the period from 1-1-1946 to March 1947, a sum of Rs 4,53,732 was paid in cash and the balance by adjustment

12 Drainage The total outlay incurred on the underground drainage works by the City Improvement Trust Board, which is in charge of this work during the year was Rs 2 06 lakhs as against Rs 1,50,000/- during the previous year and the following works were completed during the year under report

1) Laying street sewers in Nagappa Block, Sriramapur and Labour Colony and Western portion of Malleswaram
2) Laying underground sewers from Carlton House to the existing manhole No 16 in Thippasetty Mutt extension
3) Laying sub-main of Chamarajpet area
4) Construction of the main ovoid sewer from the Sunkal Farm up to Koramangala

During the year under report, 260 manholes were constructed

Drains original Drains were constructed both in the City and extensions, the total length being 15692 r ft as against 12321 r ft during the last year The total expenditure incurred was Rs 48,052 as against Rs 19,022 in the previous year

13 Acquisition The term of the Special Land Acquisition Officer was extended by one year from 6th June 1946

The expenditure incurred towards acquisition charges was Rs 2,76,720/- during the year under report as against Rs 3,08,309/- during the previous year Seventeen schemes were completed during the year under report Four Government schemes were also attended to in addition and completed by the Special Land Acquisition Officer Eight major schemes and 16 other schemes were sanctioned by the Municipal Counc and the Government during the year under repor and they were under different stages of progre at the end of the year

14 Public Health The public health of the city continued to be generally good A total of 12,248 persons were inoculated against plague, typhoid and cholera and 27,682 persons were vaccinated The total number of houses disinfected for typhoid, plague, small pox and cholera was 264 as against 1276 in the previous year Intensive cynogassing work was undertaken by entertaining a special gang of 60 men for the work The Sanitary Police and the Sanitary staff took vigorous action to prevent cut fruits being exposed for sale on the roads

The mobile police who were disbanded from 1-2-45 were again entertained from 7-4-46 and they took all necessary action in connection with the prevention of nuisance being committed, removal of encroachments and prevention of the sale of food stuffs on footpaths and over-drains

Out of 1071 cases launched under Police and the Municipal Acts, 659 were convicted and a sum of Rs.581-8-0 was realised in the form of fines

Food samples such as milk etc , which were suspected were examined and needful action was taken

The Public urinals and latrines and drains were cleaned and washed with disinfectant solution daily

Medical examination of food handlers in hotels was strictly enforced, as also the Hotel bye-laws

Talks on health subjects such as inoculation against plague, cholera, typhoid and vaccination against small pox were also given by the Sanitary staff

The working of the anti-malaria and culex section was continued and it did good work during the year' An additional gang of 12 men was entertained with a view to drawing all seepage and ~~to~~ spraying all houses in Kempapur, Agrahar with pyrethrum mixture to check the spread of malaria which as a result decreased considerably

Weekly intensive cleaning campaign was also undertaken in many of the divisions and good work was done

The usual annual spleen survey in the City was conducted ~~27~~ Twenty-Seven schools in the various divisions were inspected and 3066 children examined ~~63~~ Sixty-three boys were found to have enlarged spleens, giving a spleen rate of 1 76 as against 2 16 during the previous year

~~792~~ Seven hundred and ninety-two samples of tap water were collected from different parts of the city during the yea and sent for Bacteriological examination The results were satisfactory except in a few case Defective cases were rectified and subsequent samples of water have shown satisfactory result

15 Milk Centres. The Milk Centres, one in the Poorniah's Choultry, II Division and the other in Belimutt Road, III Division, opened in June 1945 continued to work satisfactorily during the year ~~117~~ One hundred & seventeen children and ~~3~~ four expectant mothers were each served with quarter seer of milk daily on an average in each Centre and a total quantity of 21,745 seers of milk was distributed The question of opening a third Milk Centre in the IV Division is under consideration by the Municipal Council

16 Maternity and Child Welfare work The ~~annual~~ usual activities of the two Maternity Homes and Child Welfare ~~Home~~ work continued ~~to be~~

maintained during the year and 1257 labour cases were conducted in the Municipal Maternity Home

With a view to afford skilled aid to all pregnant women at child-birth in their homes alone, the scheme proposed for starting a Maternity and Child Welfare Centre in the III Division was sanctioned by Government in their order No L 1232/M1 10-14-163 dated 20-6-1945 The Centre was started in June 1946 Six Midwives who were appointed therein went from house to house in their areas, to give talks on Maternity and Child Welfare and prepare a list of pregnant women and attend to domiciliary confinements During the year under report they visited 9300 houses, examined 2500 pregnant women, conducted 165 labour cases and have paid 6016 ante-natal and post-natal visits The Public Health Nurses supervised and checked the work of the Midwives, paid anti-natal and post-natal visits and assisted the Lady Doctor in conducting the clinics

17 General. A Baby Show, Health and Fine Arts Exhibition was arranged during the Christmas of 1946 in the University Medical Hall A malaria section was also opened along with the other sections of the General Health, Nutrition, Epidemiology, Bacteriology, Water Supply and Town Planning The total number of visitors to the Exhibition was nearly 30,000/-

The Deaf and Dumb School, the Reading Room and the Libraries continued to be supervised by the Municipal Reading Room Committee, consisting of five Municipal Councillors The total expenditure under this head was Rs 14,445/- as against Rs 12,328/- of the previous year

The sewage farm below the Kempambhudi Tank was managed departmentally and a sum of Rs 10,000/- was realised during the year under report as against Rs 7,500/- in the previous year

A sum of Rs 3,606/- was spent towards payment of doles to the members of the Langar khana and also towards the payment of grants to ~~the~~ Charitable Institutions Radio ~~broadcasting~~ receiving sets with loud-speaker arrangements ~~was~~ were maintained at the several municipal gardens

The working of the Municipality during th year was fairly sstisfactory
